

The Friends of Junior Golf Scholarship Program

The Friends of Junior Golf Scholarship Program is another example of how the Houston Golf Association further reaches out into the community. Since 1996 the HGA has funded \$415,000 in college scholarships for deserving youngsters. This HGA-administered program encourages and promotes higher education goals for students meeting the following criteria:

- Have a financial need.
- Have participated in a junior golf program.
- Have demonstrated a high level of academic, community and/or leadership achievement during high school or college.
