Mission Statement

The Friends of Junior Golf Program through the Houston Golf Association seeks to instill personal integrity, honesty and self esteem through the game of golf.

HGA's Commitment

The HGA Board of Directors has recognized the growth and importance of the Junior Golf Program to the community. The Board has appointed a special committee comprised of HGA members to establish goals and objectives for junior golf activities and develop criteria along with procedures for awarding scholarships to qualified candidates. The HGA is also committed to providing funding for the various activities which constitute the current program. Additionally the Board is also committed to providing staff and administrative support to the Junior Golf Program.

How Can You Help?
